

- From outside of the city, we are best approached from the southern bypass.
- Leave at roundabout with the A1074, and follow this road towards the city.
- You will see a filling station on the right, go just past this, but before the pedestrian crossing you will see another entrance into a small industrial area where you will see Chippys Mate.

- From within the city, we are best approached using the A1074 Dereham Road.
- After crossing the Bowthorpe roundabout you will see a filling station further along on the left.
- Just before this there is an entrance into a small industrial area where you will see Chippys Mate
